Invitation EtherCAT Seminar Belgium 2024

Tuesday, October 15 | Mechelen
Lamot Congress and Heritage Center

Sponsored by: **BECKHOFF**

What is EtherCAT?

- EtherCAT (Ethernet for Control Automation Technology) is the fastest Industrial Ethernet solution that sets industry benchmarks in performance, flexibility and cost efficiency.

Who should attend?

- This free-of-charge seminar is addressed to automation professionals, device manufacturers, system integrators, product managers, decision-makers, and students. Here, you will learn about EtherCAT and Industrial Ethernet, along with current trends such as gigabit performance for EtherCAT and cybersecurity.

Why attend?

- learn about the benefits and challenges of Industrial Ethernet
- explore and understand EtherCAT technology
- watch the unique multi-vendor demo from the sponsoring companies which demonstrates interoperability and product variety
- talk face-to-face with an EtherCAT expert, and see how EtherCAT can accelerate your application or project
- EtherCAT seminars are educational events from the EtherCAT Technology Group

About ETG

- EtherCAT Technology Group (ETG) is the world's largest Industrial Ethernet Fieldbus organization with over 7,700 member companies from 75 countries who support EtherCAT technology.
